## Workshop | The Pulse of the Old Pueblo: Drumming

GRAMMY nominee Will Clipman leads a multicultural, polyrhythmic exploration of drumming and percussion in this workshop. Using Clipman's own collection of world drums and percussion instruments as well as any instruments participants wish to bring, this workshop will have participants scouring the globe in search of the perfect groove. All skill levels welcome.

\$100 members/\$145 nonmembers. Price includes instruction, access to percussion instruments, and lunch. Limited to 12 participants. Registration must be prepaid and is nonrefundable.

Monday, February 5  
2 PM only

## Note: Monday presentation National Park Adventure: Three Years, 417 Parks

Mikah Meyer, on a mission to visit all 417 National Park Service units in one continuous trip, is making a stop at WNPA. Meyer will give a talk and answer questions about his record-setting journey, national parks, and life on the road.

Wednesday, February 7  
12 PM & 2 PM

## Presentation | Dope Lake

Former Yosemite ranger Charles "Butch" Farabee recounts the bizarre events in Yosemite in 1977. A downed plane, a drug smuggling operation, and rangers working to keep pilfering local "entrepreneurs" away from the scene of the crash all led to a wild few months at Lower Merced Pass Lake, or, as those involved called it, "Dope Lake."

Saturday, February 10 &  
Sunday, February 11  
10 AM–5 PM each day

## Trunk Show | Mata Ortiz Pottery

Contemporary Mata Ortiz pottery displays pre-Hispanic influences fused with American Indian craftsmanship. Intricate pottery and vibrant Zapotec rugs will be available for purchase. Daily pottery firings at 11 AM and 2 PM (weather permitting) and artist demonstrations throughout each day.

Wednesday, February 14  
12 PM & 2 PM

## Presentation | Fruits & Herbs of the Old Missions

Dr. Jacqueline Soule discusses native plants and those brought to the New World by European missionaries, with focus on those that can be easily grown in Southern Arizona.

Saturday, February 17  
12 PM only

## Presentation | Audubon Lecture Series: The Exciting Night Life of Bats!

Author and conservation biologist Karen Krebs has spent over 30 years studying bats, working first at the Arizona-Sonora Desert Museum and now independently. Learn all about these gentle pollinators and effective predators, and gain an appreciation for their important role in our ecosystem. A live bat will be presented at the end of this talk.

Please request a reservation by calling 520-622-6014 during business hours one week prior to the event. Events are free unless otherwise noted.
